

RUGGED HANDHELD SUPPORT 1D/2D SCANNER

Support WINDOWS system

HIGH PERFORMANCE PROCESSOR

W62H is Windows 10 system intel cherrytrailZ8350 (8core)
processor, different chip usage effect

Level 7 Waterproof

Meet the US military standard MIL-STD 810G test standard, strict waterproof, not afraid of harsh environment, not afraid of water

Corning Gorilla Glass Touchscreen

TP and screen adopt full lamination technology, Corning Gorilla Glass capacitive screen with high hardness and scratch resistance, higher definition, more sensitive touch, and stronger screen

High temperature tempered glass

Scratch-resistant and wear-resistant 10,000 scratches test

Touch Sensitive Use smoothly

HD screen

Macromolecule Nano Anti-oil and anti-fingerprint

High strength High hardness

High Temperature Work Not afraid of high temperature and cold

The equipment can adapt to relatively harsh working environment, not afraid of scorching sun, not afraid of severe cold, continuous and stable operation

PRODUCT SPECIFICATIONS

- ▶ CPU:
Z8350
- ▶ Screen Size :
6 inches 16:09
- ▶ TP touch screen:
5-point touch, Corning+handwriting
- ▶ Resolution:
1280*720IPS
- ▶ CAMERA:
Front 5.0MP Rear 13.0MP
- ▶ I/O:
ƒ 3.5mm standard headphone jack *1
TF Card*1/SIM Card*1
POGO PIN*1/Type C interface*1
- ▶ GPS Module:
U-blox NEO-7
- ▶ SSD:
4GB+64GB
- ▶ Operating system:
Windows 10
- ▶ WIFI:
WIFI 802.11(a/b/g/n)
Frequency 2.4G+5G
- ▶ Bluetooth:
Bluetooth 4.0
- ▶ WI-FI FREQUENCY:
Adreno 506 1920 × 1200
Intel® HD Graphics
- ▶ QR code(Optional)
Honeywell3680
- ▶ 4G module
